GUIDELINES:

1. Students must have all required books in class. If a student is unprepared he or she may be required to stay after school to make up the work or go to detention.
2. It is the responsibility of each student to take notes and complete all work. When a student is absent he/she is responsible for obtaining all notes and assignments missed. If a student is absent for a test or quiz, it is his/her responsibility to arrange a time to make up the missing test or quiz. All homework assignments, quiz dates, and test dates are posted on my website. (mrsagulles.weebly.com)
3. Homework will be given every night. It may take the form of a written assignment, a reading, vocabulary memorization, etc. Each student begins each trimester with a 100% homework average. 5 points will be deducted for each missing homework.
4. All students are required to keep a neat and orderly notebook. Notebooks and folders may be randomly checked for neatness.
5. A parent's signature will be required on all tests and quizzes with a grade of 70% or below. A vocabulary quiz will be given each week. Other quizzes on class material will also be given. Tests are usually given every other week.
6. Students are held accountable for completing all assignments and obtaining required signatures. Failure to do so will result in an academic deficiency or detention.
7. Students are expected to follow all rules for proper punctuation, spelling, and grammar when preparing any and all written assignments for this course.
8. Students are always expected to follow the principles of C.O.R. (Civility, Order, Respect).
